

# Campcraft - Award Scheme Sign Off Guide - Stradbroke Cup

v2 developed PJP reviewed IL 12/04/14

For any Scout that participates in a Victorian Scout Camping Standard assessment, Troop Council are to consider having the following signed off in the Scout's green book. The minimum acceptable standard for a safe and comfortable camp that shows the Scouts have demonstrated competence at Pioneer level in the camping skills is bronze.

Explorer & Adventurer level Scouts might achieve sign off at the higher levels but would need to discuss with the Troop Council and the Leader what they should have signed off and why.

Please note that regardless of the Patrol's assessment score (Competitor to Gold) items can be signed off the Scout's Award achievements guided by the scores in the relevant areas in the 3rd column and the PL's personal assessment of the Scout's participation.

<b>Award Scheme - Targets</b>	<b>Sign off for Pioneer Level</b>	<b>Stradbroke Area</b>
<b>Campcraft</b>
